We have created a better Personal Training Journal and Logbook for both trainers and clients of LA Fitness Personal Training Programs. This will not only be a teach tool, and educational aide, but also valuable in recording which exercises a client has performed as they strive to reach their personal fitness goals. It tracks all of your workouts and has weekly and monthly measurements so you can track all your progress! Losing fat and building muscle, plain and simple. One concept that many people seem to have a problem with is the idea that in order to keep fat off of your body you need to put on muscle. While at first glance this may seem counterproductive gaining weight in order to lose weight it s all about metabolism. Metabolism can be summed up as all of the chemical reactions that take place within an organism. In terms of weight loss and fitness, metabolism basically means all of those calories that your body...
