Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.One of the most widely distributed volumes of its type in the history of Christianity. Some forty original, full-page illustrations. A verse-by-verse commentary on the two most important prophetic books of the Bible. The most important, because of the amazing, exact fulfillment of their prophecies to this date. God's ability to predict the future in advance confirms His existence and lends certainty to the fulfillment of His predictions for modern man's immediate and near future. Readers will be inspired, enlightened, and forewarned. Uriah Smith draws his conclusions regarding these important prophecies of the end-time by allowing the Bible to explain itself. Written over one hundred years ago, this volume still speaks with convincing clarity regarding such subjects as the antichrist, the mark of the beast, Armageddon, the United States in prophecy, Mystery Babylon the Great, 666, etc. A well-known Bible scholar says this regarding the importance of understanding the messages of these two books: When the books of Daniel and Revelation are better understood, believers will have an entirely different religious experience. They will be given such glimpses of the open gates of heaven that heart and mind will be impressed with the character that all must develop in order to realize the blessedness which is to be the reward of the pure in heart. The Lord will bless all who will seek humbly and meekly to understand that which is revealed in the Revelation. This book contains so much that is large with immortality and full of glory that all who read and search it earnestly receive the blessing to those that hear the words of this prophecy, and keep those things which are written therein....
