## Histology

By Jo Ann C. Eurell

Teton NewMedia, United States, 2004. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. A brief but effective presentation of comparative histology for veterinary students, interns or residents reviewing for their specialty board exams or for a practitioner looking for an excellent quick reference source. This 100 page presentation boasts 39 chapters covering normal histology of the domestic animals and commonly seen exotics. Over 95 original full color drawings clearly and accurately present the normal morphology and organ differentiation of tissues. The presentation on classical embryology is especially helpful to student first learning this information. It is consistent with the Quick Look series, containing over 100 multiple choice questions to aid understanding. The well integrated CD-ROM contains over 250 full color tissue specimens which serve to further understanding on the topic. Published by Teton New Media in the USA and distributed by Manson Publishing outside of North America.
