Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Brian Patrick Carroll, better known as Buckethead, is an American musician, songwriter and virtuoso. He has released 28 solo albums and performed on over 50 more. His music spans such diverse areas as progressive metal, thrash metal, funk, electronica, jazz, bluegrass, and avant-garde music. When performing in his theatrical persona, Buckethead used to wear a KFC bucket on his head, emblazoned with an orange bumper sticker that read 'funeral' in capital black block letters, and an expressionless plain white costume mask. More recently, he has switched to a plain white bucket no longer bearing the KFC logo. He also incorporates nunchaku, robot dancing, and toy trading into his stage performances. Buckethead's persona represents a character who was 'raised by chickens' and has made it his 'mission in life to alert the world to the ongoing chicken holocaust in fast-food joints around the globe.' 172 pp. Englisch.
