Red Pill Press, United States, 2014. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book. The Cassiopaea Experiment is unique in the history of channeling, mediumship, and parapsychology. For years prior to the first Cassiopaeian transmission, Laura Knight-Jadczyk went to great lengths to study the channeling phenomenon, including its history, its inherent strengths, weaknesses, dangers, and the various theories and methods developed in the past. After having exhausted the standard literature in search of answers to the fundamental problems of humanity, Laura and her colleagues (including her husband, mathematical physicist Arkadiusz Jadczyk) have held regular sittings for more than twenty years. With the goal of applying true scientific standards and critical thinking, Laura began her experimentation with the spirit board, chosen for the optimum conditions of conscious feedback it offers. As Laura writes, We take the approach of a sort of scientific mysticism where mystical claims are submitted to rational analysis and testing, and the required scientific proofs are modified to allow for the nature of evidence from theorized realms outside of our own where ordinary scientific proofs might not apply. After two years of working through various levels of phenomena, including alleged discarnate entities and denizens of the astral realms , a new source came through in 1994. Unlike previous contacts, the Cassiopaeans came through strong and clear, often delivering full paragraphs worth of complex material at one to two letters per second, with a high density of content and impeccable orthography. After telling Laura, we are you in the future, the C s have been covering a wide range of topics by transmitting more than one million letters over the last twenty years, answering questions from practically all fields of knowledge, including physics, mathematics, psychology, parapsychology, philosophy, esotericism, history, sociology, politics,...
